Hey Tara,

Thanks for your time earlier. As promised, I am sending you a few white pages/flyers on the UKG Wallet powered by Payactiv, which will help you understand our financial wellness platform for employees.

Can we set up a quick call sometime towards the end of this month? We would love to showcase the platform and explain to you how UKG Wallet and its no-cost benefits can help your workforce.

Looking forward to hearing back from you!

Best Regards,

We have less than 10 employees who aren't on direct deposit. Would we qualify for UKG Wallet and what is the employer cost to add this benefit?

Yes! UKG Wallet can work for your organization even if you have less than 10 employees not on direct deposit. In addition to providing flexible pay options, UKG Wallet also offers Earned Wage Access (EWA) as an additional benefit, along with a few financial wellness benefits, all at no cost to the employer!

Would it be possible to connect for 15-20 mins sometime next week? As we were looking to explain to you the UKG Wallet and how it can benefit your workforce!

Best regards!
